INCLUSIVE SKILL BUILDING LEARNING APPROACH

WHAT IS IT?

ISLA is an instructional and restorative alternative to exclusionary discipline.

HOW CAN ISLA SUPPORT SCHOOLS?

Improve education access and quality to prevent school exclusion and substance misuse.

WHO CAN PARTICIPATE?

Schools that serve students from 6th to 8th grade and have a data management system to track student discipline.

WHEN WOULD THE STUDY BEGIN?

Baseline data collection will begin Spring 2026, 2027, 2028.

BENEFITS FOR:

Schools/Teams:

- Enhanced behavior supports through fostering supportive and inclusive environments
- Paid two-day summer training for team members (total \$560)
- Receive monthly coaching support throughout the school year
- Data collected and summarized annually for the school

Educators:

- Team-guided rollout of ISLA supports throughout the year
- Prioritization of student-teacher relationships and positive classroom communities
- \$25 gift card for each completed survey (total \$75)

Students:

- Strengthened supportive and inclusive schools and classrooms
- A focus on relationship building and problem solving
- \$25 gift card for each completed survey (total \$75)
